Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Rolling Hope

Everyday I have the privilege of driving for several rideshare companies. I love the experience of meeting new people everyday and having the opportunity to share the love of God with them, and giving them *Jesus Belongs In My City* cards for follow-up. High-powered lawyers, everyday workers in fast food restaurants and the occasional millionaire make up the ever changing spectrum of my special riders.

I love to meet these new friends daily and tell them how much our wonderful Father in Heaven loves them. I tell them how Jesus died for them and how He lives for them and how they can receive eternal life. Almost without exception my riders appreciate the ride, the conversation and the hope I am able impart. What a privilege! I get to share God's love with people and I get paid for it as well! *Jesus Belongs In My City* has helped me! I am truly blessed.

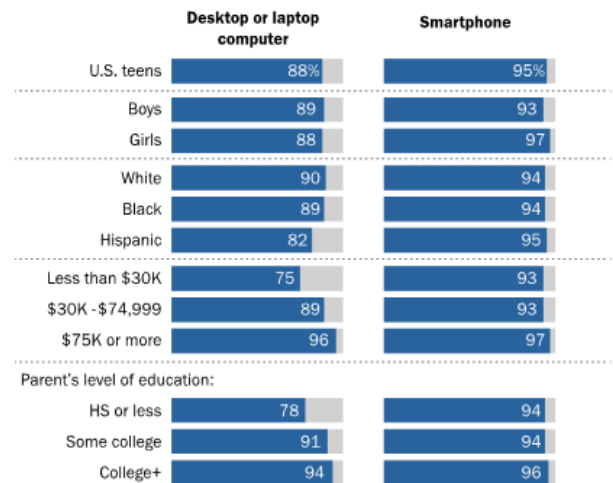

Testimony Response from a Beta Test Recipient

Hi.....! I thank God for leading me to you last Sunday. I believe there is lots of encouragement and lessons we can learn from each other. The website made clear many issues that were bothering me and assured me I am not alone here. If you have time it would be nice if we can arrange time to meet for coffee and talk deeper on our faith in the almighty. My cell is.... Looking forward to hearing from you. May the Almighty bless us all. Regards _____.

“I see no contradiction between the old, old story and the newest means to transmit it. It is time for the church to use the technology to make a statement that in the midst of chaos, emptiness, and despair, there is hope in the person of Jesus Christ.”
